

FURNITURE & LINEN HIRE INSTRUCTIONS & SAFETY

Thanks for choosing McHugh Hire, please take a minute to read the applicable instructions relating to the equipment you have hired.

We're sorry if some of the info sounds like common sense, but we need to cover all the bases. We've tried to translate the instructions for our equipment into a language that people can understand, if any part of it doesn't make any sense, please let us know and we'll fix it.

Please make sure you have fully read the instructions and all terms and conditions and product info at www.mchughhire.com before using any of our equipment to avoid extra cleaning, hire or damage charges.

All of our equipment and equipment's packaging must be returned in the same condition as it was delivered or the hirer will be charged for replacement. All equipment and packaging must be properly cleaned before return unless otherwise stated or paid for.

All equipment is for adult use only unless otherwise stated.

DO NOT LEAVE OUR EQUIPMENT OUT IN THE RAIN.

When you have finished with your equipment please make sure everything is wiped down and cleaned in the same condition you received it. If your equipment is returned un-clean you will be charged for cleaning.

For equipment lost or damaged by misuse you will be charged for replacement or repair.

It is your responsibility to ensure all power leads will not be a trip hazard, we have safety cable covers for hire if required. Please also make sure your leads are clear of water, heat and any other hazardous source. If you have hired RCD safety switches or blocks, please test the devices by pressing the trip button(s) before using each day.

For any equipment that comes with spare parts/batteries/bulbs etc:

Do NOT discard the original/dead parts/batteries/bulbs. They must be marked "dead" and returned with the equipment for our post hire testing. Failure to do so will incur a replacement charge on return. Missing AA, 23A, AAA batteries will be charged at \$2.50 each. All other missing parts will be charged at RRP.

All equipment must be packed away, at loading area, ready for our drivers to pickup.

You are responsible for using our equipment safely, especially equipment that produce heat. Please use common sense and keep children supervised near all McHugh Hire equipment.

Please note many of our items contain GPS tracking units to prevent theft and to recover stolen equipment. This includes all of our expensive equipment and random lower cost items. If you are using the equipment in a high security area, please check that these transmitters won't be a problem on site.

Tablecloth hire:

Linen that is returned with candlewax on them or holes (from sparklers), tares, cigarette burns, or any damage that will not wash out, we must charge for replacement of the tablecloths.

We regularly un-pack linen that is full of rubbish, this creates lots of extra work and can pose a health risk to our staff. Please ensure your hired linen is free of rubbish and ready for our washers.

DO NOT HOT IRON. DO NOT HOT WASH.

If you need any assistance with your linen, please call us immediately on 6162 1662.

Tables, chairs & furniture hire:

Please take care of these items by not standing or jumping on them. Furniture tends to get destroyed often during bucks parties etc. If you think you have a rowdy bunch, the best thing to do is tell them to look after the furniture early or before the party.

Most of our furniture can easily be scratched/bent/broken/water-damaged/buckled etc. by incorrect handling and storage.

It is very important our furniture is wrapped with movers blankets and secured properly using ratchet straps or similar when transported.

We wish you all the best and thank you for choosing McHugh Hire for your hire needs!

If you have any great photo's of our equipment in action we'd love you to share them with the McHugh Hire community via our Facebook page <https://fb.me/McHughHireShop> or email bookings@mchughhire.com

If you have any queries please call us on 6162 1662.
